Molloy College  
Department of Athletics  
Study Hall Policies

In accordance with the 2008-2009 Molloy College Student-Athlete Handbook, all student-athletes who fail to achieve a 2.5 semester GPA and a 2.5 cumulative GPA will be required to attend four hours of tutoring or study hall per week. Additionally, all first-time student-athletes at Molloy College (including freshman, transfers and walk ons) will be required to attend four hours of study hall sessions during his/her first semester at Molloy and subsequent semesters until they achieve the designated 2.5 semester and cumulative GPA. All hours must be completed in the monitored sessions provided (see attached schedule). Laptops will be available for use in each session. Student-athletes may receive a pass to complete one hour on his/her own each week in the Library, the Writing Resource Center, Modern Language lab (if you have a modern language requirement) and Nursing Lab (if you have nursing requirements). These passes must be approved weekly by the Compliance Officer prior to completing the hour.

Requirements:

1. Student-Athletes are required to bring class materials to all study hall sessions (including the make-up session). Hours will not be counted for student-athletes who attend study hall sessions without class materials.

2. All Student-Athletes must be on time for the make-up session, regardless of the number of hours that he/she must serve for the week. The session will begin promptly at 8am. Student-athletes will be dismissed individually as his/her hours are completed. Fridays are reserved for make up purposes only.

3. Student-Athletes will receive a study hall folder at the meeting in the beginning of the semester, it is their responsibility to bring this folder to every study hall session with the following contents: Study hall calendar, study hall policies, and their weekly time sheet to track their hours.

Procedures:

1. G.P.A’s will be reviewed by the Molloy College Department of Athletics to determine which returning student-athletes are required to attend study hall sessions.

2. Student-athletes will be notified through their Molloy College email of the date and time of the Study Hall meeting where copies of the Study Hall Policies will be distributed. This meeting will be held during the first week of the semester. This meeting is mandatory and takes precedent over practice, work etc.

3. Study Hall sessions will begin during the second week of the semester.

4. All completed independent hour logs (Nursing majors-copies of the Nursing Lab hour sheets) are due to the Compliance Officer no later than 1 pm every Friday. Failure to hand in the sheets by the 1 pm deadline is equivalent to not completing hours for the week. In the event that a Student-Athlete does not complete his/her established amount of hours during the week (or does not hand in the log on time), he/she will be required to attend a mandatory make-up session on the subsequent Friday at 8am. (If the student-athlete has already attended their 1 make up session than a 1 game suspension will be assessed.) Study Hall begins at 8am regardless of the number of hours that need to be completed. Tardiness to the mandatory make-up session will be considered missed study-hall hours and will result in a 1 game suspension. Student-athletes will not be admitted after 8am.

5. Make-up sessions are MANDATORY. Student-athletes will only be allowed one make up session per semester. After attending one allowed make up session, subsequent hours that are not completed will result in an automatic 1 game suspension. After 3 game suspensions the student-athlete will be dismissed from their respective team and will no longer be a part of the Molloy College Athletic Department in any facet. If a Student-athlete misses their make-up session, he/she will be required to serve an immediate suspension (minimum one (1) game).
